Carlisle Inn Accommodations

At the Carlisle Inn, the combination of scenic country town and big-city amenities allows guests to relax and take it easy in comfort and peace. Its 52 beautifully decorated guest rooms also afford them a surprising range of room options. Each room is individually decorated, so even return visits are fresh and new. And almost every room features a balcony or porch from which to view the beautiful countryside.

Standard rooms are generously proportioned and feature beautiful handmade wooden beds—either one queen, one king, or two queens—overstuffed chairs, and separate dressing areas. Executive rooms have walk-in showers and both honeymoon suites have 2-person Jacuzzis. The two-bedroom suite includes the convenience of a cozy living area between the sleeping quarters for sharing quality time. Our barrier-free room, complete with roll-in shower, offers complete accessibility, as do all hotel common areas.

Common areas and public spaces are designed to extend the graciousness and warmth of the guest rooms. Groups especially enjoy the inviting sitting areas scattered throughout the hotel, furnished with overstuffed sofas and comfy chairs. Perfect for quiet conversations, games, reading, and relaxing, these special spots include a sunny second-story breakfast room where our complimentary breakfast is served each morning.

Things to do –

Shops, restaurants, and attractions abound in Amish Country, but Walnut Creek stands out as a group destination. In its stores and businesses, you can browse for treasure and learn about the area's heritage while also enjoying opportunities to interact with the people who work and live in this community. Within steps of the Carlisle Inn and Der Dutchman Restaurant, are two establishments that provide a delightful diversion.

Der Dutchman Bakery

330 893 2981

In this cozy bake shop, display cases and shelves are constantly replenished with fresh-from-the-oven treats; cinnamon rolls, loaves of breads, buttermilk cookies swirled with caramel icing, fresh apple fritters, cream-filled coffeecakes and an astounding variety of homemade pies, from classic Dutch apple to the distinctly Amish Peanut Butter Cream. There's even a choice of sugar-free pies and cakes.

Carlisle Gifts

330 893 2535

This stately Victorian holds three floors of precious gifts, charming keepsakes, beautiful jewelry, and home accents—plus the delightful experience of being able to leisurely consider fine things in a small town setting.
